

New Funding for Skills Programme

We are delighted to announce we have received funding under Peace II Measure 1.3, managed by Proteus to continue the work we began on the Skills Programme two and a half years ago.

There will be some changes to the programmes delivered: we are continuing to provide training in Money Management, Pre-employment Skills and Independent Travel and will be expanding the programme offered by developing new courses which will further enhance the skills of the trainees who access our programmes.

The Skills Team is managed by Maria Burns, Learning and Development Manager and team members are Yvonne Cull, Skills Trainer and Mairia Cahill, Travel Trainer. We are currently setting up the training programme for the 2006/2007 year and are available to discuss any queries you may have about our programmes.
