

Let's Celebrate

On the 26th May 2006 Project Enable held a certificate presentation to celebrate the success of all trainees who have taken part in the catering training programme over the past 2 years, it was a chance to meet up with old friends and find out where people have moved on to.

Celebrations began with a tasty BBQ lunch provided by Loaf Corporate Catering which was enjoyed by all. The more formal part of the event began with an introduction by Anne Cheevers (Catering /Training Manager) who gave a brief overview of the programme and the achievements /success of all involved. Anne extended a sincere thanks to Belfast LSP without whose funding and support none of this valuable work would have been possible.

We were delighted to welcome Valerie Hamilton from Belfast LSP to address the trainees their parents and carers. Valerie was on hand to carry out the most important part of the day that of presenting the trainees with their well deserved certificates.

Maeve McRory (Director of NOW Project) offered congratulations to all trainees for their dedication and hard work and wished them well for the future.

The afternoon was rounded off by all trainees being photographed with their certificates.
